About the Fellowships

AFAS Feast- France Fellowships

Winners of the Victoria Fellowships who are planning a study mission in France will be eligible for a \$5,000 AFAS Feast-France Fellowship as a supplement to their Victoria Fellowship. This award from the Australian French Association for Science and Technology (AFAS) and the Embassy of France aims to facilitate science and technology to mutually benefit Victoria and France.

This year marks the 6th anniversary of the AFAS FEAST-France Fellowships

Victoria Fellowships

The Victorian Government annually awards up to six Victoria Fellowships to emerging leaders in engineering, science or technology. Each Fellow receives a travel grant of up to \$18,000 to undertake a short-term overseas study mission to assist in developing a commercial idea, in undertaking specialist training or in career development.
