An afternoon Visit to the Bostik Plant !

Wednesday 28th May 2014

The AFAS-Vic Committee is pleased to host a site visit to the Bostik Australia plant in Thomastown, thanks to Michel Marcellin, the Managing Director.

Directions to the plant are attached to the email for your information.

This will be an afternoon excursion organised as follows:

2:15 pm: All gather at the plant car park (51-71, High Street, Thomastown).

2.30 pm: Company presentation.

3.00 pm: Site visit

SAFETY CONDITIONS AND COMPANY RULES

- no mobile phones during site tour
- no photos
- for all participants we recommend to wear casual dress as in some areas there is a potential risk of stains by contact or projection.
- for women, no high heels; we recommend everybody to wear comfortable walking shoes..

4.00 pm: Depart plant car park.

Bostik is a leading global adhesive specialist in industrial manufacturing, construction and consumer markets. For more than a century, they have been developing innovative adhesive solutions that are smarter and more adaptive to the forces that shape our daily lives.

With a turnover over to 1.212 billion euros in 2009, Bostik is one of the largest adhesive and sealant companies in the world today. The group designs, manufactures and markets adhesives, sealants and coatings to three key sectors: Industry, Construction and Home, Office & School. Its products are used in a wide range of fields – from gas tankers and buildings to furniture and diapers.

Bostik head office is based in Paris which focused on strategic management - setting the objectives, coordinating, supporting and controlling the business activities.

Subsidiaries such as Bostik Australia run their own Business for local Industry, Construction and Consumer markets and also support the Global Business Units (GBUs) for Hygiene and Flexible & Laminated products.
