Bon Ap' Petit Bistro AFAS-Vic Annual Dinner & AGM Friday 30th April 2021

Opened in early 2016 by Damien, Francoise and Sebastien, Bon Ap' petit bistro is inspired by the French classics that honour a history of craft and design where each detail evokes a sense of story, place and delight.

Part restaurant, part bar, part café, Bon Ap' combines the elegance of an old world cafe with the casual nature of a neighbourhood eatery. It is a light filled space for a morning croissant or a long lunch, dinner or even a spot for a late night digestive.

Bon ap is “a place committed to the pleasure of good food”. Occupying a heritage building on Brunswick St, Bon Ap is open continuously (sunlight to candlelight) for breakfast, lunch and dinner featuring an array of French wine, as well the best and closest sourced meat and produce of the season.”
